

Spooky Vintage Painting

Follow the steps below to make your own spooky painting!
This is a beginner-friendly activity for ages 8 and above.

Supplies:

- Acrylic paint + brush
- Scissors
- Magazine/old paintings/old photos
- Frame (optional)

Step 1: Choosing the picture

Find a landscape image or image with space to add detail.

Trim the image to an ideal size (or size of frame if using a frame).

Step 2: Painting

Use a pencil to draw a spooky image in a favorite place.

Fill a palette with 2 colors of acrylic paint at a time (~quarter size.) Paint outside to inside of object.

Step 3: Frame Option

Let the paper dry. Place it in a frame and hang. Or apply Mod Podge to the front and back of it and adhere it to a canvas.

Hang for your favorite spooky season!
