

Sublimation Totes - Option 1

Follow the steps below to make your own tote!
This is a beginner-friendly activity for ages 55 and above.

Supplies:

- Sublimation tote + paper
- Digital image
- Optional: sublimation pens + watercolor paper

Step 1: Preparing the image

Step 2: Design

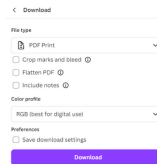

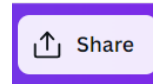

Add a picture to your 8.0" x 8.0" canvas.

Add text or any additional elements.
Delete background.

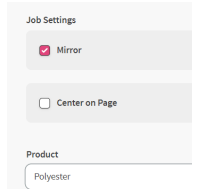

Step 3: Sending file over

In Canva, click Share.
Download as a PNG.

Open up Sawgrass Utility.
Create a new job and open your PNG. Choose Polyester.

We will print and heat press your tote together
(350 degrees for 80 seconds).

Sublimation Totes - Option 2

Follow the steps below to make your own tote!
This is a beginner-friendly activity for ages 55 and above.

Supplies:

- Sublimation tote + paper
- Digital image
- Optional: sublimation pens + watercolor paper

Step 1: Draw an image

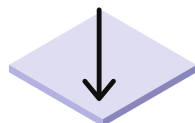

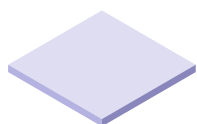

Think of a fun design. Use the sublimation markers to draw it. It will be flipped, so be careful with text.

Cut the image so there is no white space remaining.

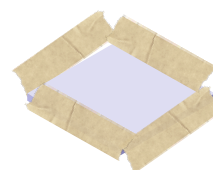

Step 2: Prepare

Choose a tote bag.

Place your image face-down on the top of your tote bag.

Step 3: Sending file over

Cut off pieces of heat resistant tape.

Tape the outside edges of your paper to your tote bag.
