

Follow the steps below to make your own dragon eggs!
This is a beginner-friendly activity for ages 13 and above.

Supplies:

- Styrofoam Egg + mask
- Nail polish/metallic paint marker
- 200 Thumb tacks
- Napkins + blow dryer

Step 1: Prepare thumbtacks

Put 200 thumb tacks into a cork board or piece of Styrofoam.

Step 2: Paint thumbtacks

Paint all one color or different colors. Blow dry. (You may need 2 coats.) Wear a mask, please.

Step 3: Stick Thumbtacks

Start at base of the egg and push in thumbtacks. Layer each thumbtack so you don't see the Styrofoam underneath

Put your egg on display and enjoy!
