

Follow the steps below to make your own dragon eggs!
This is a beginner-friendly activity for ages 5 and above.

Supplies:

- Clear flat marbles (3/4")
- Acrylic paint +brush
- Pencil + black/gold permanent markers
- Various jewelry backings

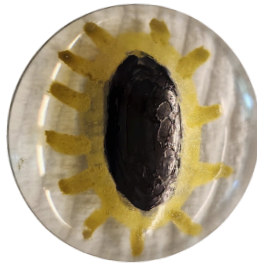

Step 1: Planning the eye

Use a pencil to draw the pupil and eye outline on the curved part of the marble. Leave blank space on each side.

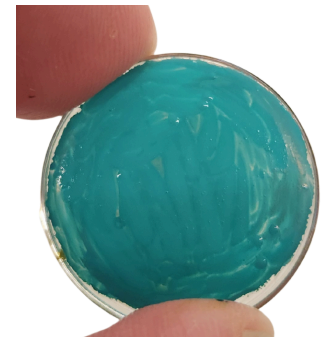

Step 2: The Pupil on Front

Use a paint pen to fill in the pupil on the top. Then add any specs into the blank space and any border.

Step 3: The Iris on Back

Color the back (flat) part of the marble in a color of your choice.

Use glue to attach the eye to a jewelry piece.
