Follow the steps below to make your own Kirigami gift box!
This is a beginner-friendly activity for ages 13-18.

Supplies:

- Cardstock x 2
- Glue stick
- Giftbox template
- *Scissors

Step 1: Make template

Cut the giftbox template out (do not cut dotted lines.)

Trace the template on a sheet of cardstock (and dotted lines). Cut out the template on the cardstock.

Step 2: Folding

Fold along dotted lines. The longer dashes are valley (together) folds & shorter ones are mountain folds (apart).

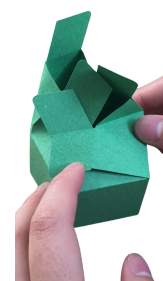

Step 3: Gluing & folding

Glue bottom tabs along base of the box until the bottom is secure. Glue the side tabs so it makes a full box.

Gently fold over the top flaps so they overlap with the previous one. Tuck in the last flap to close the box.

Gift or enjoy!
