

Follow the steps below to make your own pie pan art!  
This is a beginner-friendly activity for ages 8 and above.

### Supplies:

- Stencils
- Acrylic paint + brush
- Pie pan
- Stick string, glue

### Step 1: Choosing the pattern

Pick a stencil or a pattern.

Use acrylic paint to paint the inside and outside of the pan. (You may have to paint 2 coats.)

### Step 2: Stencil details

When dry, put a stencil over your pan. Use a brush to paint in blank space.

OR... hand paint your own design like a recipe on your pain.

### Step 3: Finishing

Glue a stick stump on the top edge. Add string as desired.

When dry, hang your art or set up on a stand!
