

Follow the steps below to make your own Regency Ball Fan!
This is a beginner-friendly activity for ages 12 and above.

Supplies:

- Paper fan template
- 18th century picture
- 15 blades + rivet pack
- Glue + Scissors + hammer

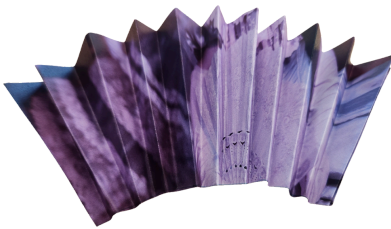

Step 1: Cut Template

Cut out the white folding fan template. Place the template on top of picture. Trace and cut out picture.

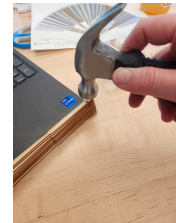

Step 2: Fold Fan

Place template on top of picture. Fold accordion style along lines (paperclip if necessary). Remove template.

Step 3: Glue Fan

Stick 15 blades in long rivet. Place small nut in rivet. Gently hammer closed. Binder clip the first & last fold to first & last fan blades.

Enjoy your
fan at the
Regency Ball!

Use hot glue to glue middle blades down. Then, outside blades.
