

Follow the steps below to make your own socks!
This is a beginner-friendly activity for all ages.

Supplies:

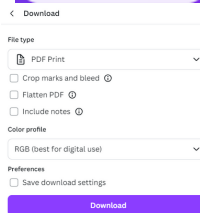

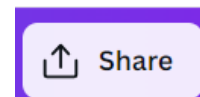

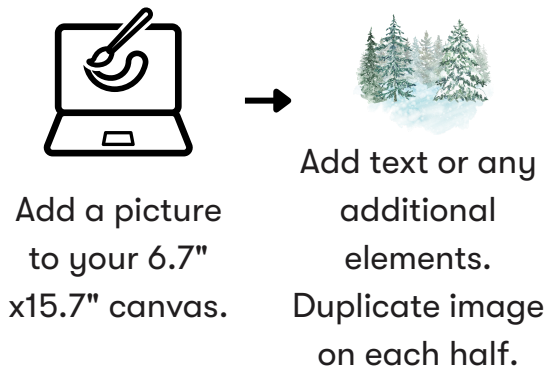

- Sublimation socks
- Sublimation paper
- Digital image
- Creativity & fun

Step 1: Preparing the image

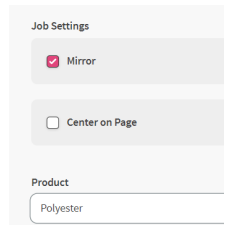

Step 2: Design

Step 3: Sending file over

In Canva, click Share.

Open up Sawgrass Utility. Create a new job and open your PNG. Choose Polyester.

We will print and heat press your socks together (385 degrees for 50 seconds).

You will need 2 copies. Use sock jog for socks.
