

Follow the steps below to make your own winter terrarium!
This is a beginner-friendly activity for ages 5 and above.

Supplies:

- Jar + snow
- Cotton balls
- Various winter figurines
- String + tea light
- Hot glue

Step 1: Add figurines

Pick up to 10 items to put in your terrarium.

Open the lid and glue them to the bottom and/or side of the jar.

Step 2: Add snow

Tear apart ~ 5 cotton balls. Place them in the globe around the figurines. Push down with popsicle stick.

Sprinkle ~ 1 tsp. of snow on top of the figurines & cotton balls.

Step 3: Add lights

Apply tape to a tea light to the inside of the lid. Close lid. Glue green spruce to top of lid.

Add string around the outside and enjoy!
