

Follow the steps below to make your own clay trinket box!
This is a beginner-friendly activity for ages 5 and above.

Supplies:

- Polymer clay or foam clay
- Foil
- Wooden Bead
- Clay tools
- Hot glue/Epoxy Glue

Step 1: Form the base

Roll clay to about
 $\frac{1}{4}$ " thick.

Place circular object on it. Cut
with clay tool around circle.

Step 2: Form sides

Roll another strip of
clay that will become
the sides of the box. Fit
the strip around the
base to determine the
length. Trim.

Score the edges to be
joined like a fork. Add
water to the scored edges
and attach.
Press the seams together.

Step 3: Form lid

Roll out another slab of clay. This
will be the lid of the box. Fit to
ensure it fits. Keep separate.

Bake (if polymer).
**Glue on bead for
handle.**
