

Follow the steps below to make your own negative space painting  
This is a beginner-friendly activity.

### Supplies:

- Letter stickers
- canvas
- dot tool
- Paint

### Step 1: Preparing the image

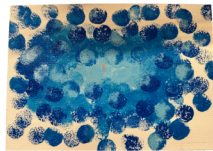

Place stickers on canvas  
to create any word you  
would like.

Make sure to press on the  
letters so they are very  
secure

### Step 2: Paint

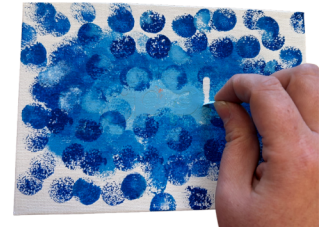

With paint and  
a dot tool cover  
the stickers in  
dots.

Continue adding  
dots to canvas.  
Have fun with  
your space and  
colors.

### Step 3: Final draft

Let your painting  
dry. You can add  
more dots to layer  
your painting.

Carefully remove stickers to  
reveal your negative space

Hang your finished painting and enjoy!
