Paper Squishies

Follow the steps below to make your own paper squishy!
This is a beginner-friendly activity for ages 8-12.

Supplies:

- Paper template
- 2 sheets colored paper
- 2 markers
- 1 tape dispenser
- 1 glue stick
- 10 Cotton balls

Step 1: Prepare paper animal

Cut & trace your template onto 2 sheets of paper OR Draw it. Make sure you make a front and back. Decorate to your choosing.

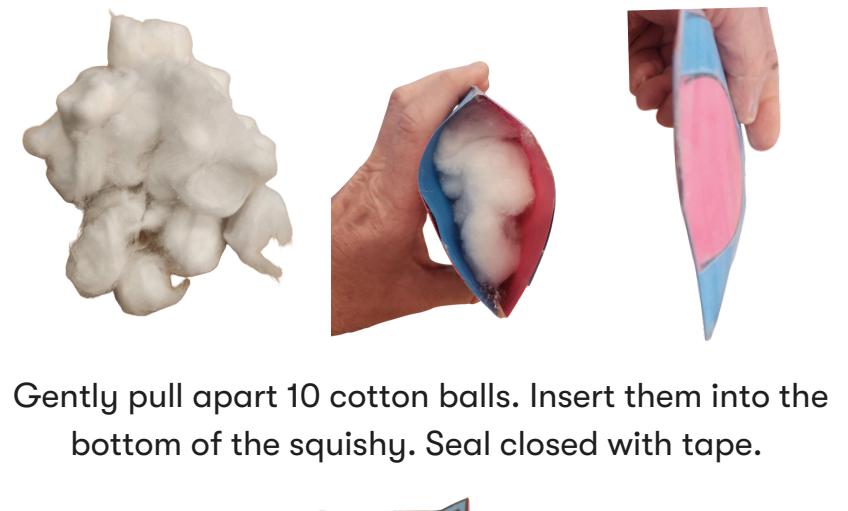

Step 2: Tape

Place the cutouts on the bodies. Use tape across the entire front & back of the body. Leave the bottom open.

Step 3: Stuff and seal

Gently pull apart 10 cotton balls. Insert them into the bottom of the squishy. Seal closed with tape.

Enjoy your squishy!
