

Follow the steps below to make your own basket!
This is a beginner-friendly activity ages 5 and older.

Supplies:

- Kraft board
- Basket template
- Yarn
- Felt
- Glue, scissors, pencil

Step 1: Build base

Cut the basket template.
Trace and cut it on kraft board.

Fold all the extensions inward.

Step 2: Weave

Tie yarn knot around one of extensions. Weave in and out of extensions from bottom to top. Pull tight to create bowl shape. Tie off and change yarn at anytime.

Step 3: Cast off

Continue until basket covered. Cut yarn, leaving 3 inches at end. Wrap back through a few of extensions to secure.
Finish the basket by folding the top tabs in place

Cut felt circles for inside & bottom. Glue to secure. Cover tabs with yarn.
